Description:

This stunning garden flat is on one of the most sought after roads in Wimbledon Village, just a minute's walk to the shops and restaurants on the High Street and a 10 minute walk to the tournament.

The focal point of the apartment is a large open plan kitchen / dining / sitting room with sliding glass panels which open onto the terrace and garden. The kitchen is sleek and modern and has all the expected appliances (induction hob, oven, microwave, dishwasher, fridge-freezer) and a table to seat four people. The sitting area has a large, comfortable corner sofa - perfect for lounging and watching the TV (with Virgin Media full package). The terrace has a table and chairs and the garden even has an infill trampoline should you fancy a bounce!

The uber chic master bedroom has a 'floating' 150cm kingsize bed, a large TV and a fabulous ensuite showeroom with a basin and WC. The second bedroom currently has a single bed but this will be replaced with a standard sized double. This bedroom uses the separate family bathroom with a large bath and overhead shower, basin and WC. The combination washing / drying machine is in a cupboard in the bathroom.

This fabulous apartment has been fully refurbished to a high standard and provides spacious accommodation in the heart of Wimbledon Village.
